

Fort Scott Community College Miami County Tech Campus at Hillsdale

USD 368 and Paola High School are excited about the opening of a Tech campus located at the former Hillsdale Elementary School. The Miami Tech Campus will provide opportunities to Paola and surrounding school districts that are not otherwise available to them. Juniors and Seniors that attend the tech campus will be enrolled in 4 blocks at Paola High School and 4 blocks at the tech campus. Transportation to and from the tech campus will be provided. The courses offered at the tech campus are tuition free college courses under SB 155 (also known as the Career Technical Education Initiative). While they are tuition free, there may be some fees associated depending on the program. The following programs are being offered:

- Administrative Specialist
- Business Computers
- Criminal Justice
- Environmental Technology
- Health Careers
- Manicuring
- Medical Office Assistant

Visit with a Paola High School Counselor for more information.
