

May 20, 2013

Dear Parents,

The sixth grade, weather permitting, will be having a "Track Day" Monday, May 20th. Parents are welcome to attend the meet. Track has no definite time line, but generally, field events will be in the morning. Then running events will be after lunch.

Your child will need to bring a sack lunch with name on it and something to drink (no glass bottles, please). You may also bring something for your student to the meet if you wish. No school lunch will be provided.

We will walk to the track at approximately 8:30 and return to school after the meet.

You might want to make sure your child has sunscreen and a hat since we will be outside most of the day.

The students are allowed to wear shorts, but no midriff shirts, halter tops, or net shirts are allowed. Depending on the weather, you may also want to send a jacket.

Parents of children who misbehave will be asked to take their child home.

Thank you.
