

## **2020 Paola High School Fall Sports and Activities Covid Spectator Restrictions**

In response to the Covid Pandemic, Paola High School along with the Frontier League Schools has issued restrictions for all athletic events. These restrictions are for all events, both home and away, indoor and outdoor. **PLEASE CHECK THE SCHOOL FACEBOOK PAGE AND TWITTER PAGE FOR UPDATES EACH WEEK TO DETERMINE SPECIFIC NUMBER OF TICKETS AND SEATING RESTRICTIONS.**

### **OUTSIDE ACTIVITIES:**

1. All spectators will be required to wear masks into all stadiums and/or complexes. Masks should be worn at all times that a social distancing of 6 feet cannot be maintained while in the stands, restrooms, concession stand area or any other areas within the stadium/complex.
2. All spectators may be subject to a temperature check prior to entering the stadium/complex. Anyone with a temperature of 100.4 or higher will not be admitted to the event.
3. Once the event is concluded, we ask all spectators to leave the stadium expeditiously and not gather on the field or anywhere else in the stadium to wait on athletes. We ask that you wait in your vehicle for your athlete if needed.
4. In the case of a tournament type event, when your child's team is NOT playing, we ask that you vacate the stadium/complex and wait in your car for your child's next game, to aid in social distancing.

### **INDOOR ACTIVITIES:**

1. All spectators will be required to wear masks into all facilities. **Masks will be worn at all times while inside any facility.**
2. All spectators may be subject to a temperature check prior to entering a facility. Anyone with a temperature of 100.4 or higher will not be admitted to the event.
3. We would ask that on nights when multiple levels play (Freshman, JV and Varsity) in the same facility, that you would try to arrive and stay for your child's level of play only. Once your child is finished for the night we would ask you leave the facility to allow for more social distancing space.
4. Once the event is concluded, we ask all spectators to leave the facility expeditiously and not gather in the facility to wait on athletes. We ask that you wait in your vehicle for your athlete if needed.

### **ADMITTANCE:**

1. At this time, all active participants will be limited up to a maximum of 4 spectators per event. **This number could decrease** however, depending on the specific restrictions put in place by the State or Local Health Departments in whichever county the event is taking place in, and/or stadium/complex capacity numbers of the host school while still maintaining social distancing.

2. For away games, the host school will determine their visitor seating capacity and will communicate with the visiting school so they can determine how many spectators (up to 4) will be allowed to attend. **For most venues, the visiting section will most likely be less than the 4 allotted tickets.**
3. Tickets will be issued by each individual school to all active rostered participants. If there is more than 1 family member on the same team, each family member on that team will receive 4 separate tickets. It is the responsibility of the participant and his/her family to keep track of these tickets for the duration of the season as they will be needed for admittance to subsequent events. **Ticket holders are expected to sit together as one "family" unit.**
4. **GENERAL ADMISSION TICKETS WILL NOT WILL NOT BE SOLD TO THE GENERAL PUBLIC AT THE GATE.**
5. All students attending the game will be expected to be in the stands in their seats.
6. Only spectators with a school issued ticket for that specific event listed on the ticket, will be admitted. Once a participant has had up to 4 spectators admitted with a ticket under their name, no other spectators will be admitted to the event under that particular participant's name.
7. Only spectators with participants on the active roster for that night and a school issued ticket, will be admitted to the event. This could change weekly. For away games, spectators need to check with their participant to ensure they are on the active travel roster for that week's event AND that they will be traveling with the team that week. If they are not on the active travel roster for that week, admittance at the event will be refused even with a ticket. Tickets may only be used for the specific event that is listed on the ticket.
  - a. For example a ticket marked "FOOTBALL" cannot be used to get into a "SOCCER" or "VOLLEYBALL" game.
8. Gate prices are the same as in the past, \$5 for Adults and \$4 for Students, payable at the gate when tickets are shown to gate personnel.
9. Team managers are considered active team members and will receive 4 tickets as well.
10. Individual schools will communicate with their patrons as to how many tickets will be allowed at each individual event up to the 4 maximum. Make sure you check with your school's communication before traveling to ensure you know the maximum number of tickets that will be available that night.

#### **NON-ATHLETIC PARTICIPANTS:**

1. Non-Athletic participants would be defined as cheerleaders, dance team members, band, etc...
2. Non-Athletic participants will not travel to away games at this time.
3. For home football games, all Non-Athletic participants who will be performing will be issued 4 tickets to be used in the same manner as described above.
  - a. "BAND, CHEER and DANCE" tickets may only be used at home football games unless otherwise specified.
  - b. At this time, cheerleaders will not be traveling to any away games.

4. For band and dance team members, once their performance is finished for the night, we urge those in attendance for that specific performance to leave the stadium/complex for the night to help with social distancing space.
5. Ticket prices will remain the same as stated above.
