Please give a brief explanation why you want your student(s) to begin attending Paola schools:

I give permission for my student's prior school to answer questions regarding the transfer to Paola USD #368, if applicable.

Parent/Guardian Signature

All out-of-district students must be enrolled and attending Paola schools before September 20th.

To ensure the success of the student(s) the following criteria will be considered both for accepting or rescinding approval for out-of-district students: behavior, attendance, and class sizes. Students will not be admitted with disciplinary action pending. This approval is valid for the current school year only and an application must be submitted annually. Bus services will not be provided for out-of-district students unless, they meet the bus at the closest stop within USD #368 boundary lines.
