All substitutes will be coordinated through ~~Frontline~~. **If unable to substitute, please log in and cancel your assignment.** FAQ’s are located at the back of this handbook.

### **Becoming Acquainted with the Schools**

### **CONFIDENTIALITY**

***The substitute teacher/para has a professional responsibility to USD 368, its staff, and its students to hold confidential any information of a personal nature that is known to you from your time in a classroom or building.***

### **Substitute Expectations**

1. I will familiarize myself with the location of the Crisis Plan/Emergency materials.
2. I will review the lesson plans left by the teacher in preparation to follow his/her lesson plans and instructions.
3. I will report any incident(s) to the school administrator that involve "bullying" or any other negative behavior.
4. I will leave the classroom teacher notes at the end of my assignment detailing the extent to which I completed the lesson plans, things covered that were not part of the lesson plans, and all other information that will help the teacher, as well as take attendance as needed during the day.
5. I understand that classroom telephones are to be used for school purposes only, except in emergency situations and that cell phone should be turned off and should not interfere with classroom instruction.
6. I understand that using inappropriate or vulgar language, calling students names and/or referring to them in a derogatory manner of any sort is prohibited.
7. I will not touch a student.
8. I understand that eating during classroom hours is unprofessional and should be reserved for scheduled breaks.
9. I agree to be attentive in class and engage students in learning at all times.
10. I understand that I am not entitled to a planning period unless I am in long-term subbing status. Refusal to cover an additional class during the regular classroom's teachers planning period may constitute dismissal of substituting for the district.
11. I will not leave students unattended.
12. I will leave the classroom in the same order in which I found it. All debris and trash will be put in proper receptacles.

## **Substitutes Not Meeting Expectations**

1. If any three of the following incidents occur during a school calendar year, the substitute may be deactivated and permanently not allowed to return as a substitute for the district.
  - If a substitute is “blocked” from a school by the school administrator.
  - If a substitute does not report for an assignment, and did not call the school or sub line to report he/she was not able to fulfill the substitute commitment for the day.
  - If a substitute does not fulfill any of the above “Substitute Expectations”.
2. In addition, the Assistant Superintendent of Human Resources, has the right to deactivate any substitute for reason(s) that are not in the best interest or beneficial for the staff, students, or Paola USD 368.
3. Substitutes will be considered a nonworking substitute if they have not accepted an assignment within the past two semesters. Nonworking substitutes will be deactivated in Frontline Absence Management. In order to return to active status, the nonworking substitute will need to complete a new onboarding process including an updated payroll packet.

## **School Descriptions**

**The elementary program** in Paola USD #368 covers PreK through fifth grade. The district’s two elementary schools offer a basic academic curriculum, and each school is encouraged to develop staff and community resources to enrich instruction. All elementary programs emphasize language arts, (reading, English, spelling, and writing) and mathematics. Social studies, science, health, music, art, physical education, and computer studies are also included in the curriculum.

**The middle school** serves all district students in grades six, seven, and eight. The middle school is organized around grade-level teams of students and teachers. A strong emphasis upon the development of basic learning skills is coupled with an interdisciplinary approach to instruction and student-oriented curriculum. The sixth grade program provides a transition from elementary school to middle school. The “core” curriculum is supplemented with instruction in art, vocal music, instrumental music, computers, and physical education. The middle school course of study provides a combination of “core” subjects and elective experiences for all students in grades seven and eight. Instruction support staff includes library/media, guidance counselors, reading, social workers, psychologists, and special education services are available to assist middle school students.

**The high school** serves grades nine through twelve. The high school curriculum is designed to serve the needs of students preparing to continue their education through college or vocational training, as well as those planning to enter the work force. The curriculum offers academic, liberal arts, and vocational classes. There are also several “dual-credit” classes where students can earn both high school and college credit. Paola High School works on the block-scheduling concept.

## **Information and Expectations**

**Report Time:** Please report to school approximately 15 minutes before classes are scheduled to begin. Office personnel will assist you in signing in for your assignment and provide you a school substitute badge to be worn during your assignment. Please return to the office at the end of your assignment to check out and return the substitute badge.

**If for any reason you cannot report to your scheduled assignment,** assignments can be cancelled until two hours before school start time the morning of the assignment through FRONTLINE. To cancel an assignment after that time, you must contact the school directly.

**An opening** may be a full day, half day, or consecutive days. A half day can be any four hours worked.

**Lunch Time:** Substitutes may bring their lunch from home, or purchase an adult lunch from the school cafeteria. Let the secretary know when you sign in if you will be ordering a school lunch.

**Prior to leaving** your daily assignment, write a detailed note highlighting the experience with the class, straighten the room (chairs, desks, etc.) and turn off all machines, electrical appliances and lights. Return any keys or and other materials when you check out of the school office at the end of the day.

**It is difficult to give a substitute** any estimation on how often they will be called. It depends a great deal on such factors as the substitute's availability of dates, interest in subject matter, performance of each assignment, and the district's daily need. You may request to work certain days or at certain buildings. Remember, too many limitations restrict the opportunities for assignment. In crucial times of need, we hope that the substitute will be available and assist where needed. **Paola USD #368 does not guarantee by adding your name to the substitute list you will be called to substitute.**

**For school closings** please watch local television stations for the announcement due to inclement weather or an emergency. You can also register with Textcaster and receive a text message on your phone or an email on your computer. All assignments will be cancelled for that day.

**The dress** is business casual for the classroom and appropriate attire for a PE class or a field trip.

**When a substitute is assigned** to a building, the location of lesson plans, seating charts, room numbers, daily schedule and class attendance books should be visible in the classroom.

**The need to grade papers** varies from class to class and grade level to grade level. Papers can generally be graded at the elementary level, particularly when teachers' editions or grading keys are

available. The work at the secondary level may require the regular teacher to evaluate students' work. If you are asked to grade papers, look for the teachers' instructions and follow those guidelines.

**Proper discipline** is required for learning. Be familiar with discipline procedures and learn to get control of the class. Be fair, firm, and friendly in the operation of the class. Good discipline is positive, not negative. At no time are you to administer corporal punishment. When following the building's discipline procedure, you may need to request assistance from the office.

## Helpful Suggestions

The substitute teacher enables students to pursue their education as smoothly and completely as possible in the absence of the regular teacher. The substitute's responsibility is to:

- Notify the office immediately if a student becomes ill or an accident occurs.
- Notify the office immediately if disciplinary assistance is needed.
- Be familiar with all Emergency Procedures.
- Consult the secretary for supplies not available in the room.
- Report damage of equipment or materials to the office.

Before leaving

- Leave the teacher's desk and room in order.
- Return equipment to the proper place.
- Leave keys and materials in the office.
- Make certain sign-in sheet has been completed properly.
- Leave a detailed note of the day's progress and assignments completed.

A substitute teacher must

- Consider all records confidential.
- Avoid discussing and comparing situations in one school while serving in another.
- Make all observations, suggestions, or criticisms to the building principal.
- Use discretion in expressing personal reactions and opinions about what is seen and heard in the classroom.

## The Substitute and the Student

**The students are expected** to share the responsibility of making the day's work effective despite the absence of the regular teacher. A substitute teacher should expect the full cooperation of all students in the room and should help ensure such cooperation by planning to make the day worthwhile and productive.

**An effective substitute** takes time to start the day right. Make sure the class is in order and that all materials are ready. Be aware that the confidence of the students may be won or lost in the first ten minutes. By using a seating chart, the substitute may soon learn the students' names. The substitute should not change the seating arrangement or any other part of the room organization except for temporary grouping of students for instruction or committee work. The substitute's name should be written on the board and pronounced for the students.

**Remain on task and focus** on the objectives of the lesson at all times. No teacher should use threats to obtain the desired reaction from students. Much of the skills of a teacher lie in the ability to arouse the students' interest and willingness to cooperate without using undue pressure. Consult the substitute fold for the names of reliable students who can be a source of help and information during the day.

**Under no circumstances** should a child be released from school without permission of the principal. If a person not connected with the school seeks information about a child or permission to take the child from the room, refer that person directly to the principal. The principal will determine whether or not the child should be excused and will notify you of the decision.

The morning call period is from 5:00 AM to 7:30 AM. The evening call period is from 5:00 PM to 9:30 PM. **What is my PIN?**

Your PIN is indicated in your Substitutes Welcome Letter and by default is 12123 but you can change it.

**What if I have more than one district I sub for that uses Frontline?**

The system recognizes you as a multiple district substitute by matching your first name, last name, and phone number. You must be entered exactly the same at each district to be a multiple district sub. If the system detects matching information for you in more than one district using Frontline, you will be considered a multiple district substitute. You may also add districts that you have already signed up for that are not automatically detected. If you have been recognized as a substitute in multiple districts, when you log into Frontline you will see a message to "Create multiple district pin" in a green box. Follow directions.

**Why am I NOT receiving calls from Frontline?**

There are several reasons why you are not receiving calls. The most common reasons are:

- No jobs are available. This may be due to the fact that other substitutes are, proactively, seeking out assignments.
- You did not pass a system check (i.e., how your personal settings are input)
- Your preferences are set to not receive calls
- Frontline has an incorrect telephone number for you

**Can I choose to receive calls for only certain schools?**

Yes, you specify these schools under "Preferences" tab>"Schools" once you login to Frontline.

**I'm only available on certain days, or for certain times of the day. Can I only see jobs that are available during these times?**

Yes, you have the ability to manage your own schedule in Frontline so you are only notified of jobs that fit within your available times. Once you accept a job, you are automatically marked as unavailable for this time so you won't receive further notices for that same day and time.

**How do I stop getting automated calls?**

From the Frontline homepage, click "Preferences" tab; click "Call Times." In the upper right corner, locate "Accept phone calls for available jobs" and select "No" and click "OK."

**Does Frontline call substitutes in alphabetical order or randomly?**

Frontline calls in random order.

**Can I change the hours Frontline calls me?**

From the Frontline homepage, click "Preferences" tab, click "Call Times", click "Edit" for the day you want to change the calling times, choose your option, once you have completed your selection(s), choose to "Apply to All" or "apply to the specific day selected."

Assignments can be cancelled until two hours before school start time the morning of the assignment. To cancel an assignment after that time, you must contact the school directly. **Can a teacher leave notes regarding the classroom, lesson plans, etc?**

Teachers have the option of attaching substitute plans and other documents or instructions to the job assignment in Frontline. However, use of this feature is currently at the discretion of the individual teacher.

Once you log on to FRONTLINE, you can use the training videos FRONTLINE has posted on your main page.

**What if I have been a preferred sub for several teachers (or a school) – can I still be?**

Yes, teachers may go into FRONTLINE to set up their substitute teacher preferences.

**If I accept a job for today will FRONTLINE continue to call me?**

No. Once you accept an assignment for today, FRONTLINE will not call you nor will you see other jobs available online for today.

**I cannot find any jobs – can you help me?**

- There may not be any jobs available throughout the district at this time.
- There may not be any jobs at your preferred schools. You may want to consider adding additional schools to your Schools list.
- The day may be marked as a Non-Work Day.

**How many days in advance will Frontline call me?**

Frontline will make calls two days in advance of the start date.

**What if a teacher asks me to sub for him/her – how does that work?**
