

Week of April 8-12

Panther Family,

Currently IC messenger is down so I am adding this week's addition to our website.

Reminder- Freshman Orientation is tonight @ PHS. (6:00 pm) Please plan to attend if available.

Today I sent out a forms request to all of our 6th and 7th graders to have them make their selections for elective classes next year. In announcements this morning I told the students they might want to visit with you before making selections. I would like this completed by the end of this week, so we can start working on our schedule for next year.

This week starts our seminar scholars' bowl competition with our grade levels. A big thanks goes out to Shari Hudgeons for getting this organized for our kids. The 6th graders start today, 7th grade starts Tuesday and 8th grade will be on Wednesday. This will run through the month of April.

Activities for the week:

Monday, April 8- Freshman Orientation @ PHS (6:00 pm)

Monday, April 8- Site Council (6:00 pm) BOE Mtg. (7:00 pm)

Tuesday, April 9- Track @ Louisburg (3:45 pm)

Wednesday, April 10- Panther Power Hour (3:00 pm)

Have a great week!
