

Feeling anxious or depressed? Struggling with behaviors or relationships? Is work or school really difficult lately? Elizabeth Layton Center is open and here to serve you!

ELC is currently offering services by telephone and televideo. This form of treatment is convenient, safe and effective. We can provide new patient admissions, crisis services, therapy, medication management, peer support, case management and psychosocial services by telephone and televideo. Face-to-face services are also available for those who cannot participate by phone or computer.

Call our Intake Coordinator for more information at 913-557-9096 (Miami County) or 785-242-3780 (Franklin County.) Or, access our crisis services after-hours at 800-241-1266.

You don't have to suffer alone. Compassionate and effective care is here for you at ELC.
