Paola Community Garden (PCG) is a non-profit organization under the Miami County Community Foundation that was developed with the following goals:

- Encourage our community to learn and engage in sustainable gardening and agriculture. Strengthen our community by bringing people together.
- Develop opportunities for people to share their time and talents with others through education and community service.
- Support our youth with an annual scholarship earned through active participation.
- Provide a source of fresh and locally grown food to those in need.
- Offer a robust selection of gardening, agriculture, health and wellness classes and events at low to no cost for individuals and families.
