

What is it?

-Threads is a student-led donation clothes closet that is available for all PHS students to utilize when they are in need! Have an accident at school? Ripped pants? Get dress coded? Just in general need? We have items for you! All items are free! It is set up like a store by section and size. Come get what you need when you need it!

What items do you have?

-Items available to students are: shirts, pants, shorts, dress clothes, jackets, hoodies, coats, shoes, panther gear, apparel from clubs, brand new socks, brand new undergarments, brand new hair accessories and brushes/combs.

Where is it?

Threads is upstairs in PHS room 200, by the northeast corner restrooms!

When is it available?

-The Threads room is available at any time with the help of Advisors of Art Club, KAY Club, Office Staff, Admin, and Counseling Department. It will be open a few days a month for students to come browse too!

Can I donate clothes right now?

-At this time, Threads is **FULL**! We are not accepting clothing donations, but would gladly accept monetary donations for our fund for new socks and undergarments. We will have clothing drives for specific items throughout the year when our stock becomes low on sizes/types of apparel.
